Christmas Brochure 2025

Welcome, contents & key dates

Welcome to our Christmas 2025 Promotion

Thank you very much for your continued custom in 2025. We have had an exceptional year and will continue to strive to give the best range at competitive prices whilst maintaining excellent service at peak trading time.

As a thank you for your custom please explore this brochure for simple savings on your usual prices. Our aim is to save you money and help you grow your business through the Christmas period. Just like our previous promotions you do not need to buy minimum volumes or a variety of different products to qualify. This discount will be accrued on all orders you place between 1st November and 24th December, and paid as a credit note into your account by the end of February 2026.

We hope you have a wonderful Christmas on both a business level and personal one.

Kind regards,
The Venus Team.

A history of dedication
and success,
100% Made in Italy

Orsadrinks was born in **1992** in Italy, in the South of **Piedmont**. Originally, the product range was limited to powdered drinks such as hot chocolates and frappes but, after observing how the cocktail scene in the U.S. was booming, Orsadrinks soon decided to diversify into the **cocktail market**.

As a constantly evolving reality, Orsadrinks has been able to grasp, and sometimes even anticipate market trends, establishing itself as a **favourite brand** in the drink industry among top bartenders around the world.
